

Federalist Paper #42, J. Madison, p. 269, Mentor Pub. Edition;  
"All that need be remarked on the POWER to COIN MONEY, REGULATE  
the VALUE thereof, and of foreign coin, is that by providing for  
this last case, the Constitution has supplied a material omission  
in the Articles of Confederation. The authority of the existing  
Congress is restrained to the REGULATION of coin struck by their  
own authority, or that of the respective States. IT MUST BE SEEN  
AT ONCE THAT THE PROPOSED UNIFORMITY IN THE VALUE OF THE CURRENT  
COIN MIGHT BE DESTROYED BY SUBJECTING THAT OF THE FOREIGN COIN TO  
THE DIFFERENT REGULATIONS OF THE DIFFERENT STATES.

The punishment of counterfeiting the public securities, as well as  
the current coin, is submitted of course to that authority WHICH IS  
TO SECURE THE VALUE OF BOTH".

REGULATE; Order, Rule, Govern, Control, TO SECURE VALUE.

SECURE; To Guard, Protect, Make Safe, Guarantee, Stable, Safe Value.

Federalist Paper #10, J. Madison, p. 78, Mentor Pub. Edition.

"The diversity in the faculties of men, FROM WHICH THE RIGHTS OF  
PROPERTY ORIGINATE, is not less an insuperable obstacle to a uni-  
formity of interests. The PROTECTION of THESE FACULTIES is THE  
FIRST OBJECT of GOVERNMENT". TO PROTECT THE "VALUE" OF YOUR PROPERTY!  
Has the Legislators, AT ANY LEVEL OF GOVERNMENT, done ANYTHING to  
PRESERVE and PROTECT YOUR RIGHTS and PROPERTY to the SAME DEGREE as  
they have GIVEN TO THEMSELVES, FINANCIAL FACTIONS, and OTHER SPECIAL  
INTEREST GROUPS? We, the People have been GIVEN the "NEW WORLD ORDER"  
of "\$slavery/Pluralism/Peonage"! "A POWER OVER YOUR SUBSISTENCE, FOOD  
& PROPERTY, IS A POWER OVER YOUR WILL AND THE MONOPOLY POWER OVER ALL  
MONEY & CREDIT IS THE FIRST INSTRUMENT OF IMPOSITION!!!!

UNDER THIS THERE CAN BE NO LIBERTY, FREEDOM, OR JUSTICE!"

? AMERICA ?

"MONEY" today is DEBT, of NO VALUE, an OPEN VIOLATION of CONSTITUTION!
