PAY BILLS, SHOP FROM HOME WITH SCANFONE

Are you spending too much time on routine tasks, like paying bills, running errands and grocery shopping?

Michigan Bell presents a great new time-saver called ScanFone.

Michigan Bell and US Order, a Herndon, Va.-based company, are teaming up to introduce ScanFone to the Detroit area.

With ScanFone, a special telephone makes it easy to:

- pay your bills without writing a check;
- order groceries from Kroger Shoppers Express for home delivery or pickup at your convenience; and,
- shop electronically from 15 different cata-

logs, 24 hours a day, seven days a week.

Just plug it in and enter your password. Using ScanFone's light pen to scan bar codes, you can shop and pay bills — and save time and the expense of gas, stamps, envelopes and checks.

You can subscribe to ScanFone for only \$11.95 a month plus tax. There is no equipment to purchase, no set-up fee and no minimum service requirement.

When you're not using your ScanFone to pay bills or shop from home, the unit doubles as an ordinary telephone with Caller ID compatibility.

If you're not completely satisfied with the service, you can return your ScanFone postage paid and receive a full refund for your last month of service.

Grocery delivery is available only in selected areas. Most Michigan Bell customers who reside outside of the 313 area code may subscribe to ScanFone, but will incur long-distance charges associated with ScanFone use.

For more information, call toll free: 1 800 444-7170, extension 25, from 8 a.m. to 10 p.m. Monday through Friday and from 9 a.m to 7 p.m. Saturday.

"MONEY", Currency & Coins, will NOT BE NECESSARY! ALL TRANSACTIONS OF ECONOMIC EXCHANGE WILL BE BY "ELECTRONIC TRANSFER" OF "CREDITS" ONLY, FROM ONE ACCOUNT TO ANOTHER. "The Currencyless Society".

QUESTION: "Who or What will SECURE the 'ECONOMIC VALUE' of these 'CREDITS' TO INSURE THE PROTECTION OF PERSON & PROPERTY OF THE INDIVIDUAL WHO WILL BE FORCED TO ACCEPT 'THIS SYSTEM OF CREDITS ONLY' IN EXCHANGE FOR WAGES & PROPERTY, THEIR TIME OF LIFE"?

REGARDLESS OF VALUE, THE "END EFFECT" WILL BE: TOTAL ECONOMIC CONTROL BY PLANNED MANAGEMENT, BOTH PUBLIC & PRIVATE, BY APPOINTED AGENCY EXPERTS WHO "MAKE LAWS" BY "POWER OF ADMINISTRATIVE LAW"!

NOT BY THE LAWS OF OUR CONSTITUTIONS!
