

"For Peace & Security"

United Nations; Structure

Basic Units; 6;

Security Council - General Assembly - Economic & Social Council -
International Court of Justice - Trusteeship Council - Secretariat

Specialized Agencies;

International Labor - Food & Agriculture - Educational, Scientific,
& Cultural - International Bank for Reconstruction & Development -
International Monetary Fund - World Health.

Charter ratified October 24, 1945.

Source; Funk & Wagnalls Universal Standard Encyclopedia, 1957 Ed.

Was the U.N. designed to be "A One World Government"? Find out for
yourself by researching the "structure" in the F. & W. Encyclopedia.

Also remember the "Police Powers" exercised in Korea, Viet Nam,
Indonesia, Palestine, Desert Storm, and the 14,000 peace keeping
U.N. troops being sent into Croatia & Slavonia and see if you can
find any limits on the exercise of military power by the U.N..

This is the "One World Government" which we have yet to recognize!
The above structure of agencies embraces every vestige of Mortal
Life! If you need more proof there is no reason to do anything but
wait and sooner than you think YOU will be the "living proof"!

Article 6, Clause 2, U.S. Constitution can STOP THIS, BUT ONLY IF
YOU USE IT!

The "RULE" of "IMPLIED POWERS" is a PRESUMPTION which MUST BE REJECTED
for IT CAN BE USED TO ESCAPE ALL "CHECKS & BALANCES" AND STAND SUPREME!

Prof. Alan Morton Dershowitz

2/25/92

Dear Sir,

Can you take the Laws of our Constitutions to the Court and save
America for the present and posterity?

Sincerely hopeful,
