

"COST OF PRODUCTION"

	Real Money, Coinage Silver Content	GRESHAM'S LAW AT WORK Cupro-Nickel Dollars?	PER DOLLAR RELATIVE VALUE TO SILVER COIN
			Cost Profit
Cupro	\$59.00	\$1,000.00	\$.059 .941
Nickel	\$59.00 X \$.059 = \$3.48	\$1,000.00	
Dollars	real value		\$.00348 .99652
	\$59.00 X \$.00348 = \$0.20532	\$1,000.00	\$.0002053 .9997947
	\$59.00 X \$.0002053 = \$.01211	\$1,000.00	\$.0000121 .9999879

I didn't want to believe what I saw when I first worked out the progressive value loss due to the manufacture of money out of nothing, but there it is for all to see. This might be confusing to some so lets walk it through, step by step. The first production of \$1,000.00 Cupro coins costs \$59.00 in real money of silver content. This means that the real value of each cupro dollar can only be its cost of production which is found by dividing the cost of production, \$59.00 by the number of cupro dollars produced, \$1,000.00. This gives you the real value of each cupro dollar which is \$.059. In the second production you use \$59.00 of cupro dollars taken from the first production, the government stamp makes them usable as dollars, but to determine their real value you multiply this \$59.00 by the real value that was determined by cost of the first production which is \$.059. This gives you the real value cost, relative to silver coin, of the second production of \$1,000.00 of cupro coin, \$3.48. This reduces the real value of each cupro dollar in this second batch to \$.00348.

The next two productions are a repeat of the second and need no further explanation and if you think that this is bad consider this; in the production of paper money the "cost" of printing each bill is \$.02/.03 REGARDLESS OF WHAT NUMBER VALUE IS PLACED ON THE BILL. From \$1.00 to \$100.00 the "cost" is the same.

The final point to consider is this. The Federal Government and the Federal Reserve Banks have FIRST USE OF THIS DEVALUED "MONEY" (?) WHICH THEY PASS OFF TO US, WE, THE PEOPLE, AS MONEY OF REAL VALUE!

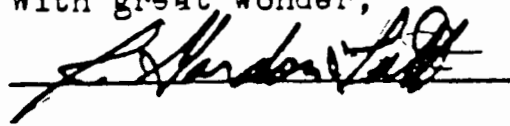

If you still can't see the fraud and deception being practiced upon our trust, so be it, but I will give you notice that this is not the final act. There is one more step yet to be taken in this "Money Scenario" which I call, "Tom Swift & The Electric Money", which is THE CURRENCYLESS SOCIETY, WHERE ALL TRANSACTIONS WILL BE MADE ONLY BY ELECTRONIC TRANSFER OF CREDITS, THE "NEW MONEY OF THE NEW WORLD ORDER"! THE GOVERNMENT AND LARGE CORPORATIONS HAVE ALREADY INSTITUTED THIS PLAN AND IF THE PEOPLE IN GENERAL DO NOT OPEN THEIR EYES AND THINK FOR THEMSELVES, IT WILL BE ONLY A MATTER OF TIME BEFORE THIS SCHEME WILL BE FORCED UPON THEM, THERE WILL BE NO OTHER CHOICE!

I don't feel any further comment is necessary, but I will add a closing note. YOU HAD BETTER LEARN TO THINK FOR YOURSELF WHILE YOU STILL CAN ACT TO STOP POLITICAL PERVERTS FROM MARCHING THIS NATION INTO A TOTALITARIAN GOVERNMENT! IF YOU WAIT UNTIL THEY BRING "POLAND" TO US, IT WILL BE TOO LATE! "PLURALISM" OF THE NEW WORLD ORDER WILL BE OUR DESTINY!

\$\$\$ "Caveat Emptor" \$\$\$

With great wonder,
