

How to \$teal the World
&
YOUR TIME OF LIFE

"TRUE FACT\$":

To/ Those Who Care
What Events of Today
Will Create For Tomorrow

I know of no money system in operation today which has a secured value base of precious metals or any other Thing. For all major nations are on the Fractional System and the precious metals are nothing more than a commodity.

This creates Monopoly Capitalism of the New World Order Economics WHERE ONLY THE WILL OF THE "CENTRAL GOVERNMENT" IS "THE POWER" THAT SHALL DECLARE HOW ALL ASPECTS OF ALL LIFE AND THINGS ARE TO BE USED AND TREATED WITHOUT EXCEPTION. THE WORLD GOVERNMENT OF THE EXPERT INTELLECTUAL ELITE, THE U.N.! THIS "VALUE JUDGEMENT" WILL BE "THE LAW WITHOUT APPEAL"!

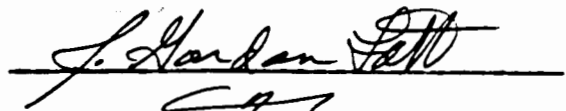

The Security Council WILL DECLARE AMERICA TO BE BANKRUPT THEN PLACE THE ENTIRE WORLD INTO RECEIVERSHIP TO AVOID THE "DISASTER" OF WORLD ECONOMIC COLLAPSE AND "DARK AGES DEPRESSION"!

The Founding Fathers gave a clear outline as to the benefits of a "sound money" economic system which protected INDIVIDUALS AND THEIR PROPERTIES in the Federalist Papers. To keep OTHERS or the GOVERNMENT from PRINTING MONEY IN AMOUNTS LIMITED ONLY BY "THEIR" WILLINGNESS TO "BUY MORE PAPER"!

The Reason To Labor? See "The Wealth of Nations", by Adam Smith, published 1776. Mortals labor to exist and provide their needs, that "their" production COMES FROM THEIR TIME OF LIFE AND BECOMES "THEIR INDIVIDUAL PROPERTY" FOR "IT" IS NOW THEIR TIME OF LIFE CONTAINED "IN" THIS LABOR PRODUCTION AND THE "WAGES" FOR THIS "LABOR" MUST BE OF VALUE, FOR THE "WAGES" THEN BECOME THE SAME "TIME OF LIFE" THAT IS CONTAINED IN THE PRODUCT OF LABOR! This is what the Government takes when "TAXES" are DIRECTLY LAID UPON WAGES AND PROPERTY OF LABOR. THIS IS A DIRECT CONFISCATION OF "THE TIME OF LIFE" OF ALL WHO LABOR. IT IS CALLED "PEONAGE". IT IS UNLAWFUL. (U.S. Codes attached in Bailey v Alabama)

THIS IS PLURALISM! ANY DOUBTS?
